Kaena Swaye
•Meruru's childhood friend & maid
Seems to be getting told off harshly
Ummm Miss Kaena? Are you angry with me?
Mererulince Rede Arls
•The so-called popular protegenist
I'm not really angry or anything like that! But what was the situation just now?! You couldn't have made a worse scene than that!
That's, you know, that um
Really So, how did it come to that Mistress Totori and Mistress Mimi were -what apparently looked like- having a fight to claim you?
My apologies
Meruru! Are you regretting your actions?
Indeed, Kaena! You know it well!
I bet you took on something carelessly again, didn't you?
FLASHBACK!!
※The arrangements were called off by both parties.
.....
This isn't how it's supposed to be
Miss Mimi?
Actually Miss Mimi and I came up with a certain plan And we put it to action
Mimi Houllier Von Schwarzlang
•An adventurer from Arland
(A tsundere towards Totori only)
What's with that expression? You got a problem?
So you want to know how Master Totori thinks of you, Miss Mimi?
Hmm
No, I got no problem but didn't Master Totori tell you already last time? She said "Mimi, I really like you" I was just wondering why you want to know the obvious
Aren't you a strange person, Miss Mimi
Adults have all kinds of things going on, you know
You're right but that's not it What I really want to know is what kind of Totori's fondness towards me is
※In front of Meruru's Atelier Mimi's always here
What kind of fondness, is it?
That's right Whether it's slightly like my fondness towards her Or whether I have any chance at all that's what I want to know

I was happy when she said she really likes me
But I want to be number one among all the people she "really likes"
Owww!! Miss Mimi quickly gets mad when it comes to my Master!
DON'T SAY IT ALOUD EVEN IF YOU GET IT, PLEASE!
So,
In other words, you want to know whether Master Totori loves you or-
CRITICAL
To the extent that I'm not satisfied with being just her friend.
When I realised it, Totori became the most precious person in my life
I was foolishly headstrong and it blinded me, yet she treated me, the fool, face to face, and got along well with me...
It's thanks to her that I am where I am now
キラ
キラ
キラ
Miss Mimi You care for Master Totori that much..
SO THIS IS LOVE...!!
...That's why I want a solid evidence, even just a little. As a member of the Schwarzlang family, it simply is pathetic, but...
Although I've been thinking this, breaking our current relationship feels scary too.

I WILL DIE !!
Any-thing but that.
Um... How about asking Master Totori directly...?
どん！
UNDER-STOOD! PLEASE LEAVE EVERY-THING COMPLETE-LY TO ME!
Meruru... I thank you but how should we do this I wonder...
Um, then how about observing my Master whether she becomes jealous or not when we are more intimate than usual?
RIGHT? PERSONALLY IT'S A GREAT IDEA! NOW THEN, FIRST TO THE INITIAL PHASE...
THAT... MIGHT HAVE A CHANCE!
Leave it to Me ru ru !!
Such a foolish strategy? Mistress Mimi... She becomes quite hope-less when it comes to love affairs, doesn't she...
Meruru, you come up with a better strategy, too. This doesn't bode well for you if you're going to be in charge of a country, you know?
Eh... is that right? I thought it would work, seriously
Actually, Miss Mimi was supposed to come first. So we planned to be spotted by my Master, and see how she reacts.
But...
Don't make that scary face...
"But"... what?
END FLASHBACK!!

Why is It that Miss Mimi was the one to become jealous first
Miss Mimi, you're a true Totori-freak!
She's just hopeless now !!
Meruru
Meruru !!
Ahh, Miss Mimi's angry ...
And → Mimi forgets the strategy.
But Master Totori was acting strange, too, you know?
Usually, she would say something like "Now then, while we're on the hunt for monsters, we'll gather some materials and let's go for a shopping on our way back. You see, it's fun when we're all together."
but towards Miss Mimi, it was as if she was persistently... Ah
THAT'S RIGHT! I GET IT!
The operation jealousy was a big success!
WHAT DO YOU MEAN?
Calm down, Miss Mimi!
Meruru is going for a monster hunt with me!! Us two only!
THE IDIOT COUPLE WHO EXCHANGES JEALOUSY WITH EACH OTHER.

GOGO MERRURU!!
Even though you're doing well in learning the alchemy skillfully, it's still Meruru being Meruru, isn't it?
..Well, that is what's so charming about you, after all
ぶんぶんぶん
Since I figured it out, I better report it to Miss Mimi right away!
I wonder where she is? Is she in front of Master Totori's Atelier again?
CASTLE ARLS
ヒュオオオオ
うわあああん
Let me go, Meruru! Fighting with Totori... I must be an idiot!
Don't act so rashly! And you can't do things like jumping off from my castle!
Father, Mother, Mimi cannot continue be live any more. I am a weak being
I FOUND YOU, MISS MIMI... WHOAAA, WHAT ARE YOU DOING!?

Urgh... This is no good. Miss Mimi just won't listen to me.
You don't have to tell me that I know already Totori fell in love with her disciple Meruru!
Miss Mimi... Calm yourself Are you alright? Master Totori is...
Meruru, I... lost... A complete defeat I just can't win against honesty, can I?
Understood I'll do what I can Don't count on it though, please
Darn it! Then I'll just go visit Master Totori myself! Kaena! Look after Miss Mimi!
If you can, persuade her!
E-Excuse me, it's Meruru.
I'm relieved. My master's in her usual self...!
It was you, Meruru ? No, I should be the one to apologise for mistaking you for someone else
きゅるん☆
Mimi! It was...
ソフィー

I made you see a very childish side of me Ugh, that's just unsightly
And Mimi just won't stop when she fires up like that
Mm but it's also because I was being jealous.
No it's my fault that I made a mistake with our arrangement!
I'm sorry about the short while ago. It would've been nice if we could all go along...
I like her.. A lot, too But having to like someone is much harder compared to the alchemy
REVEALS EASILY
Master, the fact that you were jealous means uh, you think of Miss Mimi as not just your friend, but.
DOKI DOKI
This feeling, it has to be.
HUH? WHY MUST I BE JEALOUS OF YOUR FRIENDS, TOTORI? THAT JUST WON'T HAPPEN...
So I asked Gino, "Does your heart grow heavy when I get along well with others?"
Then Gino said
When I saw that some how my heart grew heavy
But after coming to Arls, she befriended you, right?
Hmm, if you're asking when, I've realised it only recently Mimi doesn't have any friend other than me
Since when did you start liking her?
MASTER, YOU SAY CRUEL THINGS QUITE NATURALLY.
XThe inner voice of Meruru

A special someone that I like
What Master Rorona is to Mr. Sterk Someone, special, that he likes?
Some-one on my mind?
To put it simply, like what Miss Rorona is to my Master
Then again, why are you asking me something like that all of a sudden? You got someone on your mind?
Hh
You're mean, Gino! I can't help it. I just came to like her, that's all!
Even Mimi has loads of good things about her! I know it!
Don't hit me! I didn't say anything wrong you know?
Mimi?! Hey Totori, that's just too much of a bad taste...
...Mi-...Mi-mi...
AH
UH
EH?
That reaction... Who is it. Tell me! Don't you hide it from me now!
Furthermore, Mimi is a kind-hearted person To trouble someone who takes you seriously – That's not right
That's why I thought she'd have issues like having successors, so I didn't feel like telling her
It's so like you, Master .Rather than Mr. Gino, the people around Miss Mimi would've been
Haven't you thought about confessing your feelings to Miss Mimi?
Well, some thing like this

Nonetheless, you never know until you actually tell her! Maybe Miss Mimi feels the same way, too, who knows?!
...Not now, at least.
Ummmmm... Don't tell me that's the most crucial reason!? Miss Mimi doesn't strike me as the sort of person who'd say such things, though.
Again?
...I don't want to be hated, and if she says "I absolutely refuse to be with a country-girl like you!" like the old times, I'm going to lose my memories again.
ARGH!
SE-RI-OUS-LY!!
That's... true, but Master, Miss Mimi...
"Maybe" won't cut it. Losing something precious would be a scary thing for you, too, Meruru.
Who're you calling a wimp! Huh!? Don't treat me same as that guy with a bent back!
If only Miss Mimi wasn't such a wimp, everything would've worked out well!!
M... MIMI?! WOAH, YOU DIDN'T POSSIBLY HEAR WHAT I JUST SAID, DID YOU!?

Uh... De-Determination?
Whatever Just be quite for a moment! You're wavenng my determination!!
Um, that's, uh Lucky day today, huh?
ずんずんずん
To-To-To-ri!
Yes!?
I feel really thankful to you, and I think you're a precious f-f-f-friend!
I knew you could do it, Kaena Miss Mimi was really down back then after all What did you tell her ?
To tell you in short, I told her that s nice Mistress Totori is a very popular person she might become someone else s by tomorrow
In deed
Even though I'm scared.
Mistress Mimi, which would you wish for? Regretting without telling her, or regretting after telling her? Mistress Totori of tomorrow might be standing next to somsone else, you know? It sounds good to wish for the other's happiness. But can you tolerate that? Can you tolerate the fact that someone who was naturally by your side to be no longer by your side?
But I-
I won't give up the rights to be by Totori's side to anyone!

I... want to be more than just a friend! I want to be your number one!
I like you, Totori, to the extent that I can't even help myself!!
Mi i mi mi mi mi mi!
Therefore become WOAH, my- OUCH!
Mimi, what you said just now, is it truly true?
So close
Naturally What'd be the meaning of lying about it...?
What kind of situation is this

Are your family matters all right? I, you know, am a girl that's...
...Then I realised it. Ahh, because the one they call Mimi likes Totori so much and so much, she has to be closer to her than anyone else.
But even when I came here, I couldn't be with you like the former days. It was lonely...
In truth, I came to Arls to meet you, Totori. Whenever I came to my senses, I was always thinking about you since you've been gone...
Enough about that, anyway! Give me your answer! Rejection, right? I just knew it!
Rejection?
HUUUUUUH!?
Oh... That bit of issue is something I didn't think about at all.
You're... not kidding, right?
Of course not! I'm really, really happy. I love you, too, Mimi.
If you're OK with me, always, always be with me from now on.

Is that right. It can't be helped, then.
Shut up! There are things called tears of joy, too, you know!
Why are you crying?
If you attack me so suddenly, my heart won't last!!
Wait, Totori! What are you doing??
Attack?
When someone precious to you is crying, you have to wipe away the tears in the past, that's what my sis did to me...
To to ri i i i!
Ri-Right. As long as that's the case..
..I'm not jealous or anything
I see I was feeling jealous towards Meruru moments ago, though
Mimi, are you jealous?
No way! I don't! I only did it because I thought doing it to you would be OK, Mimi!
Surely, you didn't always do this to anyone who was crying, did you...?

WHAT!? YOU'RE MEAN, MIMI! I'M GOING TO BE ANGRY AFTER ALL! GEEE...
MISS MIMI, WHAT ARE YOU EXPOSING!? MASTER TOTORI IS GOING TO BE MAD AT MEEEEEE!
Because you said being only with Meruru is better than being with me
That's not it! It was just a strategy to confirm your...
AH.
What are you saying?
Heehee... Thanks Mimi, for telling me how you feel about me. This is the happiest moment of my life
If you did, everything would've been solved without me getting jealous
Just kidding... it was a joke. A JOKE! But you should've told me sooner
You'll always be with me, right? I'm going to make you much happier
Then I'll make Mimi the happiest person in the world, too!
Haha, be prepared.

＜あとがき＞
人気者の今日はメルルのアトリエ未プレイの私には
耐えられませんでした。ミミちゃんは
あんなことは絶対言いませんよね？
少なくとも私がトトリのアトリエで見てきた
ミミちゃんは、違ったかな…と。
アストリッドさんに関しても、コミックス版の
ロロナのアトリエで感じた彼女（ロロアトは
現在プレイ中）はひねくれたとこもある什と
人と人の思い出や繋がりを大切にしてくれる
不器用だけど優しい人でした。ロロナを玩具に
するような人物じゃなかったな、と。
幼女で精神年齢は３０げふんげふん歳だったら
よかったんですけどねｗｗｗ
メルルをプレイして、これはこうあるべきだ！
とまた思ったらこうやって俺得らくがき漫画を
今後も描くかもしれません。そのときはまた
生暖かい目で見ていただけると助かります。
「ピアニャのアトリエ！お姉ちゃんが冒険者！」とか
「トトリとミミとジーノの冒険譚」とか
描きたいものは色々あるんですけど結局は俺得です！！

アーランド…ファンディスクとか続編ないかなー…
あるいはＤＬＣで追加ＥＤとかイベントとか…。
